ALBERTA DIRECT TRADE

Alberta direct trade this week have seen light trade develop with dressed sales reported from \$515.00-517.00/cwt delivered, \$6.00-7.00/cwt higher than the previous week. Cattle that traded were being scheduled anywhere from immediate to the first half of March delivery. Were getting a sense that lift times have started to tighten up. US packer interest was also supportive this week, bids to go into the US were comparable with local deals. With mild temperatures for this time of the year cattle performance has been above average for the month of January. Western Canadian carcass weights continue to run well above year ago levels.
