U.S. TRADE (U.S. FUNDS)

The U.S. cash cattle trade last week saw most of the trade took place on Thursday and Friday. Dressed sales in Iowa and Nebraska were from \$390.00-393.00/cwt, \$10.00/cwt lower than the previous week. Live sales in all major feeding states were at \$248.00/cwt, \$7.00-8.00/cwt lower. Last week's cattle processed was estimated at 529,000 head, 43,000 head smaller than last year. US beef imports for the month of May were down 4% compared to last year. Lower imports were primarily driven by reduced shipments from Brazil. In May the top supplier of beef to the US was Australia. Beef imports from Australia, Mexico, Uruguay and Argentina are all running above last year. YTD US beef imports are up 10% compared to last year.

Choice and Select Steers and Heifers:	Live	248.00-248.00
