Sept 4	7:00 pm	Cargill Auction Market	Char & Exotic Cross- Yearling str & hfrs

Comments for the week ending Aug 13, 2009

The fed cattle market felt the strain again this week. There were 694 fed cattle sold through auction markets which was a bit lower than last week but 101 more than last year at this time. Steers ranged from \$82.77-90.77 averaging \$86.87, down \$0.66 from last week and \$7.83 lower than the same time last year. Heifers sold from \$76.17-91.67 averaging \$84.36, down \$1.73 from last week and \$6.52 lower than year ago prices. Auction markets reported prices to be steady to \$1.00 lower.

The slaughter cow market saw another week of steady trade. There were 1,487 slaughter cows sold through auction markets down 206 from last week and 53 more than the same time last year. Slaughter cows ranged from \$35.78-52.98 averaging \$44.40 up \$0.39 from last week and \$9.83 lower than year ago prices. All auction markets reported prices to be steady all week. Thursday's report saw cull cows selling on a strong active trade.

Replacement cattle receipts this week were higher than last week's drop as 2,704 head sold through auction markets up 6.8% from last week and 21% less than last year at this time. Auction markets reported strong active trade with prices holding steady. Actual average prices for most weight categories of steers were lower with the exception of lightweight calves and steers over 900 lb. All weight categories for heifers saw lower prices with the exception of lightweight calves which were \$8.15 higher. Steers 800-900 lbs averaged \$5.89 lower, 600-700 lb steers averaged \$0.19 lower and 400-500 lb steers averaged \$5.58 higher. Heifers 700-800 lb averaged \$6.29 lower and 400-500 lb heifers were \$2.73 lower.

Ontario railgrade prices experienced further pressure this week with prices \$2.00 lower over last week's decline. Steer prices reported were \$146.00-151.00 and heifer prices were \$145.00-149.00.

Alberta's fed cattle market prices were slightly lower again this week. Steers traded from \$79.00-81.25 live and \$134.50-135.30 flat rail. Heifers sold at \$79.70-80.25 live and \$133.50-135.30 flat rail.

U.S. cash cattle trade was fairly quiet most of the week with a handful of sales in Nebraska on Thursday as steers and heifers traded at \$82.00 live. Most of the business is expected to develop later Friday afternoon after this report is complete.
