

FIELD DAYS

COVER CROP GRAZING

Capture the Financial Opportunity

ST. GEORGE - Saturday, October 26, 9:00am - 12:30pm

LAMBTON SHORES - Saturday, November 23, 9:00am - 12:30pm

EAST-CENTRAL ON - TBD

These field days will give crop and beef farmers the opportunity to see cover crops put to use as pasture for beef cattle. Cover crops have important environmental and economic value, and these workshops will include farmers and speakers who can share their knowledge on the tools and resources available to help integrate cattle into cover cropping systems as an additional business opportunity on farms.

Cover Crops for Cattle • Fencing Models • Networking Opportunities • Cover Crop Walk

There are no registration fees for these events, but please register early to secure a spot by contacting the Agricultural Information Contact Centre by phone 1.877.424.1300 or by email at ag.info.omafra@ontario.ca.

A light lunch will be provided at each field day.

Field Days hosted by the Beef Farmers of Ontario and the Ontario Ministry of Agriculture, Food & Rural Affairs
