Change (from yesterday's close):	+2.83	+2.03
Current Five Day Average:	182.98	167.63

U.S. TRADE (U.S. funds)

The U.S. cash cattle trade was very quiet today as both sides took inventory. No bids have surfaced and asking prices remain undefined, however they are expected to be higher given last week's stronger market. Business is expected to surface early this week in order to complete this week's trade before the Thanksgiving Holiday on Thursday.
