ALBERTA DIRECT TRADE

Alberta's direct trade on Wednesday was reported as moderate in volume by Canfax, at easier prices. Canfax notes sales from \$263.00-\$265.00 delivered on a dressed basis, down \$5.00-\$8.00 cwt from last week. Business on Thursday was reported by Canfax as \$5.00 lower than Wednesday at \$258.00 delivered, on a dressed basis. Canfax reports: "One packer pulled their bids yesterday, telling producers they had bought enough cattle for this week. This week one packer was buying cattle for the end of May delivery while the other packer was buying cattle for the middle of June delivery. It is likely safe to say first half of the year highs are behind us." Overall prices for the week on a picked up basis, reported by Canfax, were at \$154.00 live down \$5.50 on average, while dressed deals ranged from \$256.50-\$263.50 with steers averaging \$260.10 down \$8.56 and heifers averaged \$261.28 down \$7.08 from last week on average.
