ALBERTA DIRECT TRADE

Alberta direct trade is quiet with no new trade to report. Canfax notes that this week's offering is steady to last week in volume.

U.S. TRADE (U.S. funds)

The U.S. cash cattle trade saw a couple of sales yesterday in the north at \$103.00 live, steady to the bottom of last week's trade, but not enough sold to establish any kind of market. Today, everything was very quiet with no bids on the table and asking prices unestablished, as both sides sat back and kept a close eye on the boards direction. Active trade is not expected to surface before Wednesday at the earliest.
