ALBERTA DIRECT TRADE

Alberta's direct trade was extremely limited this week with Canfax noting there was not enough reportable trade to establish a price report. A couple of deals were noted at \$225.00 delivered on a dressed basis, up \$2.00 from last week but not enough sold to report a market. Canfax notes: "Buyers were indicating cattle would not be picked up until early to mid-December delivery. US buying interest was noted but no sales have been confirmed."
