### ***U.S. TRADE (U.S. funds)***

**The U.S. cash cattle trade** last week was light at fully steady prices. Live sales reported by the USDA Mandatory Price Report saw business range from \$105.00-\$111.00 with steers averaging \$109.57 and heifers \$109.73. On the rail trade ranged from \$168.00-\$172.00 dressed with steers averaging \$171.70 and heifers \$171.90.

Today, Today, the market was fairly quiet as new show lists were distributed. This week's offering is reported as larger in volume than last week in all feeding states. A couple of sales were noted in Nebraska this morning at \$110.00 live but nothing else since this morning and not enough sold to establish any kind of market trend. Asking prices are currently unestablished but should be available tomorrow as the U.S. tries to get things wrapped up ahead of the U.S. Thanksgiving Holiday on Thursday.
