**The U.S. cash cattle trade** Thursday saw light trade develop with prices fully steady to \$1.00 lower than last week, despite the increases in cattle futures and boxed beef prices. In the north trade ranged from \$169.00-\$176.00 dressed, mostly \$172.00-\$173.00 while a light test in the south was at \$110.00 live. Today the market is quiet with no bids on the table and asking prices at \$112.00 live in the south and \$175.00 plus dressed in the north. With another round of higher cattle futures today it is possible sellers are going to just sit back.
