ALBERTA DIRECT TRADE

Alberta direct trade remains at a standstill with little business expected before Wednesday. Canfax notes that this week's offering is smaller than last week in volume with asking prices around \$260.00-\$263.00 delivered on a dressed basis.

U.S. TRADE (U.S. funds)

The U.S. cash cattle trade remains untested with little business expected to develop today. No bids have surfaced at this time however asking prices are being reported in the south from around \$128.00-\$130.00 live, while the north continues unestablished. Lighter show lists this week and higher boxed beef prices Monday and Tuesday should provide some support for the cash market this week.
