ALBERTA DIRECT TRADE

Alberta direct trade remains untested with little business expected to develop today. Canfax reports that this week's offering is smaller than last week in volume with asking prices starting out around \$300.00 cwt delivered on a dressed basis.

U.S. TRADE (U.S. funds)

The U.S. cash cattle trade saw a few scattered deals in the south late Monday from \$137.00-\$140.00 live, fully steady to last week but not enough sold to establish a market trend. Today, the market was at a standstill with no bids on the table. Packer interest should start to improve on Wednesday with asking prices in the south sitting at \$140.00 live while the north remains undefined.
