ALBERTA DIRECT TRADE

Alberta direct trade on Wednesday was light with Canfax noting sales at \$302.00 delivered on a dressed basis, steady to last week. Canfax reports: "Competition on the cash market remains limited as one major packer is not bidding on cattle. US packer interest has been noted, there is a price premium to sell cattle into the US but finding a truck to go south is a major challenge. With the fall calf run underway a lot of trucks are already booked. Very few fed cattle will end up being marketed south into the US."
