ALBERTA DIRECT TRADE

Alberta's direct trade was light with prices reported for this week from \$300.00-\$304.00 cwt delivered on a dressed basis, steady to \$1.00 cwt easier. Canfax reports: "Light volumes of Alberta cattle traded into the US. Depending on freight and dressing percentage, prices are working back to the low to mid \$180's FOB lot. Sales to the US are at a slight premium over local deals. Cattle that traded to the US would be picked up in a couple weeks while sales to western Canadian packers would not be picked up until mid-November."

Steers - FOB	Live	184.00	Rail - FOB	298.50-300.50
Heifers - FOB	Live	184.00	Rail - FOB	298.50-302.50

U.S. TRADE (U.S. funds)

The U.S. cash cattle trade has been light this week with sellers able to push prices a little higher. In the south trade has been noted from \$143.00-\$144.50 live, mainly \$144.00 up a solid dollar from last week's southern trade. In the north live trade has ranged from \$144.00-\$149.00, mainly \$147.00-\$148.00 up \$1.00-\$2.00 cwt, while dressed deals have been reported from \$228.00-\$233.00 dressed, mostly \$230.00 up \$1.00 cwt. There were still some cattle to sell but sellers were not going to let them go at prices established this week and are holding the cattle over until next week with even higher asking prices anticipated. This week's trade appears to be completed.

Choice and Select Steers and Heifers:	Live	143.00-149.00
	Rail	228.00-233.00
