ALBERTA DIRECT TRADE

Alberta's direct trade was light in volume this week with prices reported from \$298.00-\$300.00 cwt delivered on a dressed basis, down from \$300.00-\$304.00 last week. Canfax reports: " Cattle that traded were being scheduled for the second half of November delivery. US packer interest has been noted and bids are a couple dollars higher than last week. Depending on freight and dressing percentage, US bids are working back to the mid to upper \$180's/cwt FOB lot. US bids are at a premium over local sales, but no cattle have traded so far. Truck availability or possibly grading specs could be deterring producer from selling cattle south."

Steers - FOB	Live	N/T	Rail - FOB	Not enough sold to report a price
Heifers - FOB	Live	185.50	Rail - FOB	296.50-298.50

U.S. TRADE (U.S. funds)

The U.S. cash cattle trade was at a standstill until Thursday, with just a couple of deals noted in Iowa at \$230.00 dressed, but not nearly enough sold to establish a market. Sellers hoped for prices at least \$1.00 higher than last week while packers tried to hold the market steady. Light to moderate trade on Thursday went to the side of the sellers with southern trade mainly \$145.00 live, up \$1.00 cwt from the previous week. In the north some live trade was noted from \$145.00-\$150.00 with dressed deals from \$230.00-\$232.00, most at \$232.00 cwt up \$1.00-\$2.00 from last week. Today the market was quiet and it appears that the bulk of trade for the week is completed.

Choice and Select Steers and Heifers: Live 145.00-150.00
 Rail 228.00-232.00
