### **U.S. TRADE (U.S. funds)**

The **U.S. cash cattle trade** saw around 200 head sell in Nebraska yesterday at \$150.00 live which is easier but not nearly enough to establish a trend. Today, the market was quiet with no bids on the table. Asking prices in the south are starting to surface at around \$152.00 live while the north remains unestablished. Little business is expected today as Americans focus on voting. Trade could be delayed until Thursday.
