Alberta direct trade remains at a complete standstill with little business expected before the second half of the week. Canfax notes that this week's offering is steady to last week in volume.

U.S. TRADE (U.S. funds)

The U.S. cash cattle trade is basically untested with just a couple of deals noted in Iowa yesterday at \$166.00 live, up \$2.00 cwt but not nearly enough to establish any kind of market. Today the market remained untested with not one bid on the table and asking prices unestablished, with little business expected before the second half of the week.
