ALBERTA DIRECT TRADE

Alberta direct trade is quiet today for the Truth and Reconciliation Day. Business this week was light with trade reported at \$390.00 cwt delivered on a dressed basis which is fully steady to last week. Delivery was reported for October and November depending on which packer purchased the cattle. On a picked up basis trade was reported from \$387.00-\$388.50 dressed down \$0.11 cwt from last week. Not enough heifers sold this week to establish a price report. US packer interest was noted with a few sales to the U.S. reported but transportation appears to be the limiting factor.

U.S. TRADE (U.S. FUNDS)

Business in the north was \$1.00-\$2.00 cwt lower at \$184.00 live and \$290.00-\$292.00 dressed but dressed trade has been extremely light in volume. Today the market is quiet and it appears that business for the week has been completed.
