ALBERTA DIRECT TRADE

Alberta direct trade remains basically untested with Canfax just noting a couple of deals at \$383.00 delivered on a dressed basis. Canfax reports: "There have been rumblings dressed bids are in the low to mid 380's delivered to the plant. If this is true bids are mostly steady with last week. Competition on the cash market has been rather light. There are some big cattle coming down the line and producers are looking for flat bids with no heavy weight carcass weights. From a supply standpoint fed calf numbers are seasonally declining while more yearlings are starting to hit the market."
