BEEF FARMERS OF ONTARIO TOWN HALL PRODUCER MEETINGS

Beef Farmers of Ontario (BFO) invites beef farmers from across the province to join us for a series of town hall meetings focused on the issues, opportunities and market conditions affecting Ontario's beef sector.

Each meeting will feature a cattle market outlook and an overview of risk management tools available to Ontario beef farmers. Attendees will also receive updates on trade relations and BFO's advocacy efforts.

Participants will have an opportunity to connect with BFO Directors and staff, ask questions and share their perspectives on the issues that matter most to their farms and the future of Ontario's beef sector.
